August 20, 2018

Dear Parents, Students, and Friends:

Welcome to Homestead Senior High School! Our goal is to achieve excellence by focusing on the “whole child”. To that end, we have reformed our school by providing our students with multiple levels of services and offerings that revolve around the students’ interests and aptitudes.

Homestead Senior High School offers several magnet and specialized academy programs. Within these academies, students will explore courses related to their specific interests.

- Hospitality and Tourism
- Practical Nursing/Nursing Assistant
- Academy of Information Technology/Business
- Building and Construction
- Aviation Academy

In addition to these programs, we provide students with opportunities to participate in our Advanced Academic programs through Advanced Placement and Dual Enrollment courses. Our efforts have led us to improve our graduation rate by 17 percentage points. Currently, our school’s graduation rate is 84%. Choosing Homestead Senior High School as your school will ensure that your child has every opportunity to succeed in school and in their chosen field of study beyond graduation.

Again, welcome to Bronco Country! We look forward to assisting you and your child in making important decisions regarding their educational and career aspirations.

Sincerely,

GUILLERMO A. MUNOZ

Principal
